

COMMONS REGISTRATION ACT 1965

Reference No. 210/D/359-361

In the Matter of the tract of about 180 acres called Norden Heath in the Parish of Corfe Castle, Dorset

DECISION

This dispute relates to the registration at Entry No. 270/1 in the Land Section of Register Unit No. CL 270 in the Register of Common Land maintained by the Dorset County Council and is occasioned by Objection Nos. 147, 918 and 1222 made by (1) H E Scott Esq (2) ECC Ball Clays Limited and (3) N R C Smith Esq respectively and all noted in the Register on 9 March 1973, in the Register of Common Land maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Poole on 9 July 1980.

The Ramblers' Association who had applied for the registration had withdrawn their application by letter dated 3 July 1980, addressed to the Commons Commissioners. No other person appeared before me to support the application.

For these reasons I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous <u>in point of law</u> may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
