

COMMONS REGISTRATION ACT 1965

Reference No.37/D/84

In the Matter of Land at Chuck Hatch and
Golden Castle, Hartfield, East Sussex (No.5)

DECISION

This dispute relates to the registration at Entry No.4 in the Rights Section of Register Unit No.CL 58 in the Register of Common Land maintained by the former East Sussex County Council and is occasioned by Objection No.9 made by Col.and Mrs R.E.Burton and noted in the Register on 5th December 1969.

I held a hearing for the purpose of inquiring into the dispute at Lewes on 21st November 1974. The hearing was attended by Mr A.K.Baird, the successor in title of Col.and Mrs Burton. Mr H.Humphrey and Mr F.Humphrey, the applicants for the registration, did not appear and were not represented.

It seems to me that the proper course is for me to assume that the applicants did not appear because they did not wish to contest the Objection and not because they did not wish to support the rest of their registration.

In these circumstances I confirm the registration with the following modification:- namely the exclusion of the land the subject of the Objection.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 17th day of December 1974

Chief Commons Commissioner
