

COMMONS REGISTRATION ACT 1965

Reference No. 212/D/141

In the Matter of Curling Tye Green,
Woodham Walter, Maldon D

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. CL 385 in the Register of Common Land maintained by the Essex County Council and is occasioned by Objection No. 445 made by the County Council (as highway authority) and noted in the Register on 1 August 1972.

I held a hearing for the purpose of inquiring into the dispute at Chelmsford on 17 February 1981. The hearing was attended by Mr S J Gardner of the Registration Authority and by Mr P B Smith, Legal Officer of Maldon District Council.

It had been agreed between the parties that the registration be cancelled, and accordingly I refuse to confirm it.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
