

COMMONS REGISTRATION ACT 1965

Reference No. 212/D/255

In the Matter of land to the north of  
Oldhouse Road, Roydon, Epping Forest  
District, Essex

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. CL378 in the Register of Common Land maintained by the Essex County Council and is occasioned by Objection No. 74 made by Mr L T H Greig and noted in the Register on 26 October 1970.

I held a hearing for the purpose of inquiring into the dispute at Chelmsford on 10 November 1981. At the hearing Essex County Council as registration authority, were represented by Mr S Gardner administrative officer (countryside) in their Chief Executive and Clerks Department.

The registration was made on the application of Mr John Cecil Jenkins. I have a letter dated 4 November 1981 from him to the Clerk of Commons Commissioners in which he says he has no objection to the cancellation of the registration. A letter dated 7 November 1981 from him to the County Council to the same effect was handed to me by Mr Gardner. In these circumstances, I conclude that the registration should not have been made. Accordingly I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
