

COMMONS REGISTRATION ACT 1965

Reference No. 212/D/214

In the Matter of Two pieces of Roadside Waste,
Navestock, Brentwood D

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. CL 152 in the Register of Common Land maintained by the Essex County Council and is occasioned by Objection No. 240 made by Essex County Council as highway authority and noted in the Register on 9 November 1970.

I held a hearing for the purpose of inquiring into the dispute at Chelmsford on 19 February 1981. The hearing was attended by Mr Gardner, of and representing the County Council.

The registration was made on the application of Navestock Parish Council, which was not represented at the hearing. There are no rights of common registered and in the absence of evidence that the land is waste land of a manor, I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
