DECISION

This dispute relates to the registration at Entry No 13 in the Rights section of Register Unit No CL 169 in the Register of Common Land maintained by the Hampshire County Council and is occasioned by Objection No OB 422 made by Walton Vandercom & Hart and noted in the Register on 5 January 1971.

I held a hearing for the purpose of inquiring into the dispute at Winchester on 3 May 1978. The hearing was attended by Mr P R Fitzgerald of Messrs Walters Vandercom & Hart and Mr Jones on behalf of Mr & Mrs J S Jones the applicants for rights under Entry No 13 and they agreed that I should confirm Entry No 13 modified by deleting all the words in column 4 and substituting therefore the words:-

"The right to graze over this Unit and Units Nos CL 4 and CL 168 6 horses or 6 cows or 6 goats and 6 geese provided that the numbers of animals grazed at any one over any one or more of such Units shall not exceed 6 horses or 6 cows or 6 goats and 6 geese and the right to take bushes for mending the commoner's fences where they adjoin the Unit land such taking of bushes to be by arrangement with the wood-ward or the agent of the Lord of the Manor".

I therefore confirm Entry No 13 modified as aforesaid.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
