

COMMONS REGISTRATION ACT 1965

Reference No. 214/D/155 and 156

In the Matter of East Aston Common, Longparish
Test Valley D

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section and Entry No 1 in the Rights Section of Register Unit No. CL.324 in the Register of Common Land maintained by the Hampshire County Council and is occasioned by Objection No. OB 451 made by Viscount Camrose and Lord Hartwell and noted in the Register on 29 December 1970.

I held a hearing for the purpose of inquiring into the dispute at Winchester on 25 July 1979. The hearing was attended by Mr L A Hopkins on behalf of Mr J W Cooke the applicant and Mr J H D Shorten of Messrs. Lant Brooks and Bullock on behalf of the objectors who withdrew their objection.

For this reason I confirm the registrations.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
