

In the Matter of Kingsley Common, Kingsley,  
Hampshire

DECISION

This reference relates to the question of the ownership of land known as Kingsley Common, Kingsley, being the part of the land comprised in the Land Section of Register Unit No. CL 41 in the Register of Common Land maintained by the Hampshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference Mrs H M Paulsen, Ockham Hall Ltd, Mr and Mrs C G A Lambert, and Mr and Mrs D J Chase claimed to be the freehold owners of parts of the land in question, and Mr B J Lloyd claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Winchester on 27 October 1983.

At the hearing Mrs Paulsen was represented by Mrs S J Tovey, Solicitor, and Mrs Lambert, Mr Chase and Mr R W Wilson appeared in person. Mrs Lambert also produced the title deeds of Ockham Hall Ltd.

The land the subject of the reference was formerly part of a property known as Ockham Hall. The whole property was conveyed to Wickham Mercantile Company Ltd by a Conveyance made 25 April 1977 between (1) Kinstan Ltd (2) Wickham Mercantile Company Ltd. A part of the property the subject of the reference was the subject of a lease for 900 years from 16 May 1758, and the other part was the subject of a lease for 900 years from 29 September 1760, both leases being subject to a peppercorn rent. These leasehold interests were assigned to Kinstan Ltd by a deed of conveyance and assignment made 1 April 1976 between (1) Yvonne Norris, Richard Christopher Norris and John Lushington Norris (2) Kinstan Ltd. By a deed of enlargement also made 1 April 1976 Kinstan Ltd the two leasehold terms were enlarged into a fee simple by virtue of Section 153 of the Law of Property Act 1925.

Wickham Mercantile Company Ltd divided the house on the property into ten houses, each with a garage and an allotment. Four of the garages were built on the land the subject of the reference. Ockham Hall Ltd was formed as a Management Company.

Garage No. 1 was conveyed by a Conveyance made 16 June 1978 between (1) Wickham Mercantile Ltd (2) Ockham Hall Ltd (3) Richard Kevan Cunningham and Doreen May Cunningham, and was conveyed to Mr and Mrs Lambert by a Conveyance made 6 August 1982 between (1) R K and D M Cunningham (2) Frederick Graham Anthony Lambert and Jill Frances Lambert.

Garage No. 2 was conveyed by a Conveyance made 21 August 1978 between (1) Wickham Mercantile Company Ltd (2) Ockham Hall Ltd (3) Paul Anthony Hewson, and was conveyed to Mr and Mrs Chase by a Conveyance made 31 March 1983 between (1) P A Hewson (2) David John Chase and Sandra Gilliam Chase.

Garage No. 3 was conveyed to Mr and Mrs Wilson by a Conveyance made - 1978 between (1) Wickham Mercantile Company Ltd (2) Ockham Hall Ltd (3) Reginald William Wilson and Gladys May Wilson.

Garage No. 4 was conveyed by a Conveyance made 22 May 1978 between (1) Wickham Mercantile Company Ltd (2) Ockham Hall Ltd (3) Diana Mary Williams. Mrs D M Williams married Group Capt Leonard Edgar Giles R.A.F. on 18 December 1980 and conveyed Garage No. 4 to Mrs Paulsen by a Conveyance made 29 April 1981 between (1) Diana Mary Giles (2) Helen Mary Paulsen.

Finally, the remainder of the land the subject of the reference was conveyed to Ockham Hall Ltd by a Conveyance made 4 April 1979 between (1) Wickham Mercantile Company Ltd (2) Ockham Hall Ltd.

Mr Lloyd kindly put his argument into writing, and a copy of it is attached to this decision.

On the evidence before me I am satisfied that Mr and Mrs Lambert, Mr and Mrs Chase, Mr and Mrs Wilson, Mrs Paulsen, and Ockham Hall Ltd are the owners of parts of the land, and I shall accordingly direct the Hampshire County Council, as registration authority, to register them as the owners of their respective parts of the land under Section 8(2) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

researching into the purpose of stone carving

Because a cult has infiltrated our education system and since 1870 has forcibly taught a language to 97% of the nation that was intended for High Priests, Peerage and the Legal Profession to make them break the laws of society, it will be seen that it has been taught without any authority of state and has very effectively caused the crime rate in this country to rise considerably.

There as the Master Mason I must claim these lands for the 3% of the nation who as commoners speaking the Common Language of the world have evaded this brainwashing by the education department.

For thousands of years the Common Language of man as used in Common Prayer and Article 24 of the Church of England and still used by the Deaf and Dumb and by tradition is used in the House of Commons to make laws in that language and be it noted that every cipher and ceremony of state takes place in the Common Language. It has always been taught by comparing the ornament of gravestones against the character of deceased and the sole purpose of the Common Language of the Commoner being to create law and order

I am aware that the language taught in school damages the human brain so that it fails to see as it should and every year those so educated fail to see every picture of Father Christmas depicts him wearing his boots on the wrong foot.

Shortly before every election social meetings are arranged in every village so that those elected to local government have all be educated contra to statute and the Royal Courts of Justice have no staff equipped to action a case where the liberties of the Commoner have been restricted.

The man who cuts the stone to make gravestones is covered in white dust even when cutting white stone, hence every country is ruled from a white place. The base from which it starts may be seen this country was called Albion, with its chief city Loddonarium ruled from White Hall and the White Tower and Wiltshire has a hundred known as KING EDWARDS STONE wherein is the village of Bedwyn and Lloyd the Master Mason all white names and it will be found these names are synonymous with the CROWN that gives officers of state their power to act.
