

COMMONS REGISTRATION ACT 1965

Reference No. 214/D/120

In the Matter of The Grindstone, Chilbolton
Test Valley D.

DECISION

This dispute relates to the registration at Entry No 1 in the Land section of Register Unit No. VG.25 in the Register of Town or Village Greens maintained by the Hampshire County Council and is occasioned by Objection No. OB.73 made by Hampshire County Council and noted in the Register on 5 September 1969.

I held a hearing for the purpose of inquiring into the dispute at Winchester on 24 July 1979. The hearing was attended by Miss A A Craig on behalf of Hampshire County Council and Mrs J M Mills on behalf of Chilbolton Parish Council.

Miss Craig withdrew the County Councils objection without prejudice to the County Councils claim that part of the land in question is not only a village green but also part of a highway.

For this reason I confirm the registration.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
