

In the Matter of Clifford Common, Clifford,
Hereford and Worcester
(No 3)

DECISION

This dispute relates to the registration at Entry No 5 in the Rights section of Register Unit No CL 76 in the Register of Common Land maintained by the Hereford and Worcester County Council and is occasioned by Objection No 34 made by Capt L H Hope and noted in the Register on 7 June 1971.

I held a hearing for the purpose of inquiring into the dispute at Hereford on 16 February 1978. The hearing was attended by Mr R L Freston, the applicant for the registration and by Mr R C Smallwood, solicitor, on behalf of the Objector.

Mr Freston gave evidence that he had lived at Clifford Place since 1960, but that during that period neither he nor his wife had ever fished from Clifford Common.

In these circumstances I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
