

In the Matter of Northchurch and Berkhamsted Common,
Northchurch, Hertfordshire (No. 2)

DECISION

This dispute relates to the registrations at Entry Nos 1 to 4 in the Rights section of Register Unit No. CL 47 in the Register of Common Land maintained by the Hertfordshire County Council and is occasioned by Objection No. 57 made by the National Trust and noted in the Register on 17 August 1970.

I held a hearing for the purpose of inquiring into the dispute at St Albans on 5 March 1981. The hearing was not attended by any person entitled to be heard, but before the hearing I received a form of consent signed by all the parties entitled to be heard with the exception of Mr J R Martin-Smith, the applicant for the registration at Entry No. 1, to the confirmation of the registrations in so far as they relate to the land which is not the subject of the Objection. This land having been excluded from the Register Unit by my decision in In the Matter of Northchurch and Berkhamsted Common, Berkhamsted (No. 1) (1981), Ref. 216/D/24, I confirm the registrations.

I am required by regulation 30⁽¹⁾ of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
