

In the Matter of Easington Fell, Newton Lancashire
(NO.2)

DECISION

This dispute relates to the registrations at Entry Nos 1 to 13 in the Rights Section of Register Unit No. CL.66 in the Register of Common Land maintained by the Lancashire County Council and is occasioned by Objection No. 301 made by Lord Clitheroe and noted in the Register on 30 November 1970.

I held a hearing for the purpose of inquiring into the dispute at Blackburn on 19 June 1984. The hearing was not attended by any person entitled to be heard.

The grounds of the Objection are that the South-western boundary of the land comprised in the Register Unit is incorrect in that a part of it should be to the north-east and that part of it should be further to the south-west, but there is no allegation that any of the rights do not exist or are incorrectly defined. For the reasons given in my decision in In the Matter of Easington Fell, Newton (NO.1) (1984) Ref. No. 220/D/312 I refused to give effect to the Objection.

In these circumstances I confirm the registrations.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
