

In the Matter of Farnhill Low Moor, Farnhill

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. CL 201 in the Register of Common Land maintained by the North Yorkshire County Council and is occasioned by Objection No. 107 made by Mrs E Bennett and Miss M E Reddihough and noted in the Register on 9 November 1970.

I held a hearing for the purpose of inquiring into the dispute at Skipton on 11 May 1983. The hearing was attended by Mr R P Watkin of Messrs Charlesworth, Wood and Brown, Solicitors of Skipton, ^{who} appeared for the Objectors. At an earlier hearing on 8 October 1980 at which neither the Ramblers Association nor the Parish Council appeared. The Commissioner was informed by Mr Watkin that his clients were willing to withdraw the objection on certain terms. The Commissioner adjourned the hearing as he was unable to impose the terms in the absence of the applicants. In the absence of the applicants I refused to confirm the application and I award the objectors their costs of today's hearing to be paid by the Ramblers Association and the Parish Council on County Court Scale 4.

For these reasons I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
