

COMMONS REGISTRATION ACT 1965

Reference No. 263/U/157

In the Matter of The Recreation
Ground, Yearsley, Hambleton District

DECISION

This reference relates to the question of the ownership of land known as The Recreation Ground, Yearsley, Hambleton District being the land comprised in the Land Section of Register Unit No. VG.105 in the Register of Town or Village Greens maintained by the former North Riding of Yorkshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference Yearsley Parish Council claimed to be the freehold owner of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Northallerton on 7th October 1975.

The Rector of Yearsley, the Rev K E Nelson appeared and produced an Inclosure award dated 13th June 1867 whereby the land in question was allotted to the vicarage of the Parish of Yearsley.

On this evidence I am satisfied that Yearsley Parish Council is the owner of the land, and I shall accordingly direct the North Yorkshire County Council as registration authority, to register Yearsley Parish Council as the owner of the land under section 8 (2) of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
