

COMMONS REGISTRATION ACT 1965

Reference No. 268/D/313

In the Matter of The Village Green,  
Thornton Rust, North Yorkshire

DECISION

This dispute relates to the registration at Entry No 1 in the Land Section of Register Unit No.VG.156 in the Register of Town or Village Greens maintained by the North Yorkshire County Council and is occasioned by the conflicting registration at Entry No. 3 in the Land Section of Register Unit No.CL.206 in the Register of Common Land maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Richmond on 9 June 1982. The hearing was attended by Mr W Mayne, the applicant for the registration, and by Mrs G. Ramsbottom, the Clerk of the Thornton Rust Parish Council. There was no appearance by or on behalf of any other person entitled to be heard.

The conflicting registration relates to only a small part of the land comprised in the Register Unit. There is no boundary between the small area and the rest of the land comprised in the Register Unit. The whole of the land is used as a town or village green.

On this evidence. I confirm the registration without any modification.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
