

COMMONS REGISTRATION ACT 1965

Reference No.43/U/13

In the Matter of Weir Green,
Muston, North Yorkshire.

DECISION

This reference relates to the question of the ownership of land known as Weir Green, Muston, being the land comprised in the Land Section of Register Unit No.VG 26 in the Register of Town or Village Greens maintained by the former East Riding County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Scarborough on 5th November 1974.

Mr J.D.Temple, a former member of the Muston Parish Council, appeared at the hearing. Mr Temple had no evidence as to the ownership of the land in question and said that he would be happy for the land to be vested in the Parish Council under section 8(3) of the Act of 1965.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and I shall accordingly direct the North Yorkshire County Council, as registration authority, to register the Muston Parish Council as the owner of the land under section 8(3) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 17th day of December 1974

Chief Commons Commissioner
