

In the Matter of The Pinfold, Church
Street, Cropwell Bishop

DECISION

This reference relates to the question of the ownership of the land above mentioned being the land comprised in the Land section of Register Unit No. CL.17 in the Register of Common Land maintained by the Nottinghamshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference Cropwell Bishop Parish Council claimed to be the freehold owner of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Nottingham on 30 October 1984.

Mrs V S Ives (Clerk) appeared for the Parish Council but none of the evidence produced supported a claim to ownership.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of this decision is sent to him, require me to state a case for the decision of the High Court.
