

In the Matter of East Hagbourne Recreational
Allotment, Didcot, Oxfordshire

DECISION

This reference relates to the question of the ownership of land known as East Hagbourne Recreational Allotment, Didcot, being the land comprised in the Land Section of Register Unit No. VG.89 in the Register of Town or Village Greens maintained by the Oxfordshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference the Didcot Town Council claimed to be the freehold owner of the land in question no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Oxford on 25 November 1982. At the hearing the Didcot Town Council was represented by Mr B Pryor, the Town Mayor. Mr Pryor had no evidence as to the ownership of the land.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and I shall accordingly direct the Oxfordshire County Council, as registration authority, to register the Didcot Town Council as the owner of the land under section 8 (3) of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 22nd day of December 1982

Chief Commons Commissioner
