

COMMONS REGISTRATION ACT 1965

Reference No.29/U/VO

In the Matter of Land adjacent to Boundary Wall
of Salford School, Salford, Oxfordshire.

DECISION

This reference relates to the question of the ownership of land adjacent to the boundary wall of Salford School, Salford, being the land comprised in the Land Section of Register Unit No.C.L.23 in the Register of Common Land maintained by the Oxfordshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Oxford on 29th January 1974.

At the hearing the Salford Parish Council was represented by Mr. Hill, its Clerk.

Mr. Hill informed me that the Parish Council would like to take over the ownership of the land in question, but that he had no evidence that the land belonged to his Council.

In the absence of any evidence I am not satisfied that any person is the owner of the land and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 11th day of February 1974

Chief Commons Commissioner
