

In the Matter of Tokers Green, Chalkhouse Green,
and Green, Dysons Wood Lane, Kidmore End, Oxfordshire.

DECISION

This reference relates to the question of the ownership of land known as Tokers Green, Chalkhouse Green, and Green, Dysons Wood Lane, Kidmore End, being the land comprised in the Land Section of Register Unit No. VG 110 in the Register of Town or Village Greens maintained by the former Oxfordshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Oxford on 19 July 1978.

At the hearing the Kidmore End Parish Council was represented by Mr R F Penfold, its Clerk.

Mr Penfold had no evidence as to the ownership of any of the three pieces of land comprised in the Register Unit.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and I shall accordingly direct the Oxfordshire County Council, as registration authority, to register the Kidmore End Parish Council as the owner of the land under section 8(3) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 3rd day of August

Penfold
