

COMMONS REGISTRATION ACT 1965

Reference No. 29/U/47

In the Matter of Top Green,  
Oddington, Oxfordshire.

DECISION

This reference relates to the question of the ownership of land known as Top Green, Oddington, being the land comprised in the Land Section of Register Unit No.V.G.14 in the Register of Town or Village Greens maintained by the Oxfordshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Oxford on 22nd November 1973.

Mr. A. Vickers, the Chairman of the Oddington Parish Meeting, appeared at the hearing, but he was unable to adduce any evidence as to the ownership of the land in question and said that he would like the land to be vested in the Rural District Council.

In the absence of any evidence, I am not satisfied that any person is the owner of the land, and I shall accordingly direct the Oxfordshire County Council, as registration authority, to register the Ploughley Rural District Council as the owner of the land under section 8(3) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 21st day of December 1973

Chief Commons Commissioner
