

In the Matter of Llanelly Hill and Blaen Dyar
West of Waunllapria

DECISION

This dispute relates to the registration at Entry No. 3,4,12 and 14 in the Rights section of Register Unit No.CL.36 in the Register of Common Land maintained by the Powys County Council and is occasioned by Objection made by the Duke of Beaufort's Breconshire Estate Commoners Association and noted in the Register.

I held a hearing for the purpose of inquiring into the dispute at Brecon on 29th March 1984. The hearing was attended by Mr Dawson of Henry Jones and Hogg, Solicitors of Swansea appeared for the objectors.

Mr Dawson said that the objections had been made only in those cases in which the applicant had claimed to graze more than 5 sheep or equivalent stock per acre of the dominant tenement which was the practice adopted by the Association many years ago.

The applicants had agreed to accept the grazing limit adopted by the Association and on that basis the objections would be withdrawn.

It was agreed that I should be invited to confirm the applications subject to the following modifications.

Rights Entry No. 3 reduced to 10 sheep or stock equivalent

4	20	"
12	20	"
14	185	"

Stock equivalent is 5 sheep or 1 horse or 1 beast.

For these reasons I confirm the registrations with the modifications already stated.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
