

COMMONS REGISTRATION ACT 1965

Reference No. 31/D/17

In the Matter of The Shrubs, Little
Ness, Shrewsbury D. Salop

DECISION

This dispute relates to the registration at Entry no. 1 in the Land Section of Register Unit No. CL.6 in the Register of Common Land maintained by the Salop County Council and is occasioned by Objection No. 0.2. made by Viscount Newport and Trustees and noted in the Register on 5th November 1970.

I held a hearing for the purpose of inquiring into the dispute at Shrewsbury on 8th April 1975. The hearing was attended by Mr. Wilcox, solicitor for the Little Ness Parish Meeting and by the Rev. Hunter the Parish Priest of Little Ness.

No one appeared for the Objectors notwithstanding a message having been given to them by telephone that the hearing would be adjourned to give them an opportunity of attending after the adjournment.

In these circumstances, I have assumed the Objection is withdrawn.

For this reason I confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
