

COMMONS REGISTRATION ACT. 1965

Reference No. 32/U/115.

In the Matter of Middle Rhyme Weare
Sedgemoor D. Somerset.

DECISION

This reference relates to the question of the ownership of land known as Middle Rhyme Weare Sedgemoor D being land comprised in the Land Section of Register Unit No. CL 106 in the Register of Common Land maintained by the Somerset County Council of which no person is registered under section 4 of the commons Registration Act, 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Taunton on 21st May 1975.

I received representations from T.L. Bicker of the *Lamb Ina* Weare, C. Kitley of Colston Mead Weare and H. Dadswell of the Post Office Weare that they had made applications for rights which by reason of some error had not been registered.

Mr. Edwards who appeared on behalf of the Somerset County Council stated that he would investigate this complaint and consider what if any action, if appropriate, could be taken to rectify any error. No one had any information as to the ownership of the land in question.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law

may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 5th day of June 1975.

C. A. Settle
.....
Commons Commissioner.
