

COMMONS REGISTRATION ACT 1965

Reference No. 236/D/524-525-526

In the Matter of Abinger Hatch Green
Abinger Mole Valley D

DECISION

This dispute relates to the registrations at Entry No. 1 in the Land Section and Entry No 1 in the Rights Section of Register Unit No.VG.20 in the Register of Town or Village Greens maintained by the Surrey County Council and at Entry No 1 in the Land Section of Register Unit No.CL.411 in the Register of Common Land maintained by the Council. The dispute is occasioned by the conflict between the registrations.

I held a hearing for the purpose of inquiring into the dispute at Dorking on 10 June 1981. The hearing was attended by Mr B Cotter, Solicitor of Surrey County Council, and there were no other appearances. The VG registration was made on the application of Abinger Parish Council and Entry No 1 in the Rights Section of VG.20 was registered on the application of Mr R S Clarke. The CL. registration was made by the County Council without application.

It has been agreed between the County Council and the Parish Council that the VG registration shall be confirmed, modified by the exclusion from the land of highway verges, which were the ^{subject} of an Objection, No. 641, made by the County Council and noted in the CL Register on 1 August 1972. Accordingly, I confirm the VG registration with this modification and the registration in the VG Rights Section; and I refuse to confirm the CL. registration.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated 29 June 1981

L. J. Morris Smith
Commons Commissioner
