

COMMONS REGISTRATION ACT 1965

Reference No 236/D/120

In the Matter of Banstead Heath,
Tadworth, Reigate and Banstead
Borough, Surrey

DECISION

This dispute relates to the registration at Entry No 5 in the Rights Section of Register Unit No 109 in the Register of Common Land maintained by the Surrey County Council and is occasioned by Objection No 423 made by the said Council and noted in the Register on 16 October 1970.

I held a hearing for the purpose of inquiring into this and some other disputes relating to other registrations and other Entry Nos in the said Rights Section and at Entry No 1 in the Land Section of the said Register Unit, and my decision in relation to these other registrations is dated 8 December 1977. In such decision I set out my reasons for not then giving any decision in this dispute (relating to the registration at the said Entry No 5), and for then adjourning for a further hearing the proceedings relating to it.

C Bell (Tadworth) Ltd, Reigate and Banstead Borough Council and Surrey County Council who are, in the circumstances set out in my said decision, now the only persons concerned with this dispute, have agreed upon the terms of the decision to be given by me and have sent to the Clerk of the Commons Commissioners particulars of such terms signed by or on behalf of all such persons, which terms are that I do delete the said Entry No 5.

I am willing to give a decision in accordance with the proposed terms and I accordingly refuse to confirm the registration.

Dated this 19th day of April ——— 1978
