

COMMONS REGISTRATION ACT 1965

Reference Nos. 236/D/641-642

In the Matter of Burnt Hill Woods,  
Farnham, Waverley D

---

DECISION

This dispute relates to the registrations at Entry No. 1 in the Land Section of Register Unit No. CL 68 in the Register of Common Land maintained by the Surrey County Council and at Entry No. 1 in the Land Section of Register Unit No. VG 94 in the Register of Town or Village Greens maintained by the Council and is occasioned by the conflict between the two registrations.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 5 March 1981. The hearing was attended by Mr B E H Cotter, Solicitor of the Surrey County Council, and Mr A R Hart, Solicitor, of Waverley District Council, successor to Farnham UDC, the applicant for the CL registration.

The application for the VG registration was made by Mrs E M Manning, who was not present or represented. Mr Hart applied for confirmation of the CL registration, which comprises two separate areas of land and I confirm that registration.

The VG registration comprises only one of those two areas and I refuse to confirm it.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
