

In the Matter of Drivers Green, Burstow
Tandridge D

DECISION

This reference relates to the question of the ownership of part of the land described above being the part of the land comprised in the Land Section of Register Unit No. CL.305 in the Register of Common Land maintained by the Surrey County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner *and which is not registered freehold under the Land Registration Acts*

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question or to have information as to its ownership. The land in question is the part of CL.305 which is not registered under the Land Registration Acts.

I held a hearing for the purpose of inquiring into the question of the ownership of the land ~~land~~ in question at Guildford on 7 November 1984.

There was no appearance at the hearing by any claimant.

In the absence of any evidence I am not satisfied that any person is the owner of the land in question and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
