

COMMONS REGISTRATION ACT 1965

Reference Nos 236/D/276-277

In the Matter of Forest Green Abinger,  
Surrey (No. 1)

DECISION

These disputes relate to the registration at Entry No 1 in the Land Section of Register Unit No.VG.19 in the Register of Town or Village Greens maintained by the Surrey County Council and are occasioned by Objection No. 140 made by the former Surrey County Council and noted in the Register on 1 September 1970 and the conflicting registration at Entry No 1 in the Land Section of Register Unit No. CL.381 in the Register of Common Land maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 13 December 1979. The hearing was attended by Mr P F Myers, Solicitor, on behalf of the Surrey County Council, who informed me that it was no longer desired to support the conflicting registration, which had been made by the former Surrey County Council, without application, and asked that certain highway land shown coloured pink on the plan attached to the Objection should be excluded from the Register Unit.

In these circumstances I refuse to confirm the registration with the following modification, namely, the exclusion of the land shown coloured pink on the plan attached to the objection.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
