

COMMONS REGISTRATION ACT 1965

Reference No 236/U/42

In the Matter of land adjoining
Milford Common, Witley, Waverley
District, Surrey

DECISION

This reference relates to the question of the ownership of land adjoining Milford Common, Witley, Waverley District being the land comprised in the Land section of Register Unit No CL. 536 in the Register of Common Land maintained by the Surrey County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Guildford on 18 October 1977. At the hearing Witley Parish Council were represented by Mr E Instone their clerk.

Mr Instone, after describing the land and its situation in relation to Milford Common, said that he could offer no evidence of ownership on behalf of the Parish Council.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 25th day of October — 1977

a. a. Baker Fuller

Commons Commissioner
