

In the Matter of Manorial Waste,
Witley, Surrey

DECISION

These disputes relate to the registration at Entry No. 1 in the Land Section of Register Unit No. CL 136 in the Register of Common Land maintained by the Surrey County Council and are occasioned by Objection No. 49 made by the British Railways Board and noted in the Register on 27 March 1970, Objection No. 149 made by the former Surrey County Council and noted in the Register on 2 September 1970.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 20 March 1980. The hearing was attended by Mr R Hart, Solicitor, on behalf of the Waverley District Council, the successor authority of the former Hambledon Rural District Council, the applicant for the registration, Mr B E H Cotte Solicitor, on behalf of the Surrey County Council and Mr D Ransome, an officer of the British Railways Property Board.

Mr Cotter informed me that it had been agreed that the only land which should remain in the Register Unit was:- 1. That part of the land outside Fowlhouse Farm which lies behind a 6ft wide verge from the edge of the carriageway; and 2. That part of Wheeler Street which lies behind a 3ft verge behind the footway.

In these circumstances I confirm the registration with the modification necessary to give effect to that agreement.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
