

In the Matter of Part of Bedshot Lea, Farnham,  
Waverley D

---

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. VG 93 in the Register of Town or Village Greens maintained by the Surrey County Council and is occasioned by Objection No. 475 made by Farnham Urban District Council and noted in the Register on 29 December 1970.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 10 November 1981. The hearing was attended by Mr R A Hart, Solicitor, of Waverley District Council, successor Authority to the Objector. The registration was made on the application of Mrs E M Manning, who was not present or represented. There was no evidence that the land qualified for registration as a village green, and Mr Hart produced a conveyance of the land to the Objector, dated 6 December 1928, which contained no indication that it was village green. In these circumstances, I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
