DECISION No.2

The dispute relating to the registration at Entry No 1 in the Land Section of Register Unit No.CL.416 in the Register of Common Land maintained by the Surrey County Council was adjourned at the hearing on 24 June 1981. The dispute was occasioned by Objection No. 724 made by Surrey County Council which related to areas connected with the Highway. The County Council, being content to rely on the provisions of Section 22 of the 1965 Act, has now withdrawn its objection; in these circumstances I confirm the registration.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated 29 April 1982
