

In the Matter of Piece of land in parish of
Limpsfield identified as Deep Grass Verge
between 1 and 2 Old School House and Red Lane

DECISION

This dispute relates to the registration at Entry No. 1 in the Land section of Register Unit No. CL 307 in the Register of Common Land maintained by the Surrey County Council and is occasioned by (1) Objection No. 371 made by Surrey County Council and noted in the Register on 15 October 1970: (2) Objection Nos. 4 and 298 made by Mr K D Day and noted in the Register on 1 October 1968 and 8 October 1970.

I held a hearing for the purpose of inquiring into the dispute at Dorking on 27 October 1981. The hearing was attended by Mr B Cotter, Solicitor, of Surrey County Council and by no other person. The application to register was made by Mrs A I Bucke and there were similar applications by Limpsfield Parish Council and by Miss E P Quigly. Both Mrs Bucke and the Parish Council had written intimating that they did not wish to support the registrations: there are no rights registered, and in these circumstances I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
