

In the Matter of Roadside Waste adjoining
and near Beare Green (part), Capel, Mole
Valley D

DECISION

This reference relates to the question of the ownership of land known as Roadside Waste adjoining or near Beare Green (part), Capel being the land comprised in the Land Section of Register Unit No. CL 424 in the Register of Common Land maintained by the Surrey County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Guildford on 18 October 1979.

Mrs N Markham appeared for the Capel Parish Council and Mr P Daniels appeared for Surrey County Council.

They established that almost, if not the whole, of the land was either registered as or highway, but they had no information as to the ownership of any part of the unit land which is not registered and which is not highway. Any such land will remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
