

In the Matter of Shackleford Heath, Peper
Harow, Waverley D

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. CL 223 in the Register of Common Land maintained by the Surrey County Council and is occasioned by Objections No. 20 made by Phyllis M Fuller and No. 19 made by Colin W Bardwell and both noted in the Register on 13 February 1969.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 3 March 1981. The hearing was attended by Mr S P Fisher, Solicitor, of Waverley District Council, successor Authority to Hambledon R D C, the applicant for the registration. There were no other attendances.

Objection No. 20 relates to an area of the land shown on the plan accompanying the Objection, which Mr Fisher accepted. Objection No. 19 relates to the same area.

In these circumstances I confirm the registration modified by excluding from the land the area above-mentioned.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
