

COMMONS REGISTRATION ACT 1965

Reference No. 236/D/209

In the Matter of Stringers Common (part)
and New Pond Kennels (part), Worplesdon, Surrey

DECISION

This dispute relates to the registrations at Entry Nos. 1 to 3 in the Rights Section of Register Unit No. CL.281 in the Register of Common Land maintained by the Surrey County Council and is occasioned by Objection no. 260 made by the former Surrey County Council, and noted in the Register on 21 September 1970.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 26 April 1979. The hearing was attended by Mr P F Myers, Solicitor, on behalf of the Surrey County Council, and Mr M F B White, one of the applicants for the registration at Entry No. 1. There was no appearance by or on behalf of the applicants for the other two registrations.

Mr Myers informed me that he was instructed not to pursue the Objection in so far as it related to the registrations at Entry Nos 1 and 2 and that it had been agreed with the applicant for the registration at Entry No. 3 that the numbers of animals referred to in the entry should be halved.

In these circumstances I confirm the registrations at Entry Nos 1 and 2 and confirm the registration at Entry No. 3 with the following modifications, namely, the substitution of the figures "25", "5" and "27" for the figures "50"¹⁰ and "55" respectively.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
