

COMMONS REGISTRATION ACT 1965

Reference No. 236/D/238

In the Matter of ~~Stroud~~ Common and
Manorial Waste, Womersh, Surrey

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. CL 178 in the Register of Common Land maintained by the Surrey County Council and is occasioned by Objection No. 359 made by the former Surrey County Council and noted in the Register on 14 October 1970.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 3 May 1979. The hearing was attended by Miss A M Deacon, Solicitor, on behalf of the Waverley District Council, the successor of the former Hambledon Rural District Council, the applicant for the registration, Mr C Wells, Solicitor, on behalf of the Executors of the late Lord Tangley, whose application was noted under section 4 (4) of the Commons Registration Act 1965, and Mr D Angus, Solicitor, on behalf of the Surrey County Council.

Miss Deacon, Mr Wells and Mr Angus informed me that it was agreed that the metalled carriageways and footways which cross the triangular area of land forming the major part of the land comprised in the Register Unit should be excluded from the Register Unit.

In these circumstances I confirm the registration with the following modifications:- namely, the exclusion of the metalled carriageways and footways, which will be shown on a plan annexed to my direction in this matter.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
