

COMMONS REGISTRATION ACT 1965

Reference No. 236/D/184

In the Matter of The Broadmead, Send,  
Surrey (No1).

DECISION

This dispute relates to the registration at Entry No. 1 in the Land Section of Register Unit No. CL.54 in the Register of Common Land maintained by the Surrey County Council and is occasioned by Objection No. 308 made by Greysht Farms Ltd and noted in the Register on 8 October 1970.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 27 April 1979. The hearing was attended by Mr D B Pugh, of Counsel, on behalf of Mr M W B May, in consequence of whose application for registration in the Rights Section of Register Unit this registration was made, and by Mr C Rymer, of Counsel, on behalf of the Objector. There was no appearance by or on behalf of Mr J Oliver and Mr F Oliver, the applicants for the other registration in the Rights Section of the Register Unit, but their solicitors informed the Clerk of the Commons Commissioners by letter before the hearing and that they wished to "withdraw" their application.

Mr Pugh and Mr Rymer informed me that it had been agreed that the land the subject of the objection should be excluded from the Register Unit.

In these circumstances I confirm the registration with the following modification: namely the exclusion of the land shown edged red on the plan attached to the Objection.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 17<sup>th</sup> day of May 1979

.....  
Chief Commons Commissioner
