## DECISION

This decision relates to the registration at Entry No. 1 in the Land section of Register Unit No. CL 443 in the Register of Common Land maintained by the Surrey County Council and is occasioned by Objection No. 566 made by the former Surrey County Council and noted in the Register on 26 May 1972.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 20 May 1981. The hearing was attended by Mr B Cotter, solicitor, on behalf of the Surrey County Council. There was no appearance by or on behalf of Ms J A Davice, the applicant for the registration.

There being no evidence to support the registration, I refuse to confirm it.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
