

In the Matter of Thursley Common (part), including
French Hill, Thursley, Surrey.

DECISION

This dispute relates to the registration at Entry No. 1 in the Land section of Register Unit No. CL 245 in the Register of Common Land maintained by the Surrey County Council and is occasioned by Objection No. 266 made by Mr T A Ranson and noted in the Register on 25 September 1970.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 20 May 1981. The hearing was attended by Mr P Fisher, solicitor, on behalf of the Waverley District Council, the successor authority of the former Hambledon Rural District Council, the applicant for the registration, and by Mr R.M. Coverley, solicitor, on behalf of the Objector.

Mr Fisher informed me that he was instructed not to resist the Objection.

In these circumstances I refuse to confirm the registration.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
