

In the Matter of Tilford Common, Waverley DDECISION

This reference relates to the question of the ownership of land described above being the part of land comprised in the Land Section of Register Unit No. VG.62 in the Register of Town or Village Greens maintained by the Surrey County Council of which no person is registered as owner under section 4 of the Commons Registration Act 1965 or under the Land Registration Acts. This part I will refer to as "the land in question",

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question or claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land in question at Guildford on 29 November 1983.

There was no appearance at the hearing by any claimant.

In the absence of any evidence I am not satisfied that any person is the owner of the land in question, and I shall accordingly direct the Surrey County Council as registration authority, to register Tilford Parish Council as the owner of the land under section 8 (3) of the Act of 1965.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
