

In the Matter of Walliswood Green (part),
Abinger, Surrey (No. 1)

DECISION

This dispute relates to the registration at Entry No. 1 in the Land section of Register Unit No. CL 494 in the Register of Common land maintained by the Surrey County Council and is occasioned by the conflicting registration at Entry No. 1 in the Land section of Register Unit No. VG 99 in the Register of ^{to be a} Village Greens maintained by the Council.

I held a hearing for the purpose of inquiring into the dispute at Guildford on 4 May 1979. The hearing was attended by Mr P F Myers, Solicitor, on behalf of the Surrey County Council. There was no appearance by or on behalf of either Mr G D P Barkworth, the applicant for the registration, or Mr G G Campbell, the applicant for the conflicting registration, but before the hearing Mr Campbell informed the Clerk of the Commons Commissioners by letter that he did not wish to pursue the conflicting registration. Mr Myers, however, informed me that it had been agreed with Mr T C C Barkworth, as successor to Mr E D P Barkworth, that certain 3 ft roadside verges should be excluded from the registration.

In these circumstances I confirm the registration with the following modification:- namely the exclusion of the verges in question as indicated on a plan agreed between Mr T C C Barkworth and the County Council.

I am required by regulations 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
