

In the Matter of Land situate at or near
Road Junctions, Priors Marston,
Warwickshire

DECISION

This reference relates to the question of the ownership of numerous pieces of land situate at or near road junctions in the village and parish of Priors Marston, being the land comprised in the Land Section of Register Unit No. VG 143 in the Register of Town or Village Greens maintained by the Warwickshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference no person claimed to be the freehold owner of the land in question and no one claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Stratford on Avon on 19 May 1982.

There was no appearance at the hearing.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and I shall accordingly direct the Warwickshire County Council, as registration authority, to register the Priors Marston Parish Council as the owner of the land under section 8(3) of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
