

COMMONS REGISTRATION ACT 1965

Reference No. 238/D/163

In the Matter of Goose Green, Harting, West  
Sussex (No. 2)

DECISION

This dispute relates to the registration at Entry No 3 in the Ownership Section of Register Unit No. CL 44 in the Register of Common Land maintained by the West Sussex County Council and is occasioned by the West Sussex County Council and is occasioned by the conflicting registration at Entry No. 1 in the same section of the register unit.

I held a hearing for the purpose of inquiring into the dispute at Chichester on 13 May 1980. The hearing was not attended by any person entitled to be heard but the Solicitors for the executors of R. J Meade-Fetherstonhaugh, the applicants for the registration, stated in a letter dated 9 May 1980 that their clients conceded that the conflicting registration was correct.

In these circumstances I confirm the registration with the following modification: namely, the addition after the words in column 4 of the words "other than that shown by a red line on the Register Map (Sheet 25) and thereon marked A"

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
