

COMMONS REGISTRATION ACT 1965

Reference No. 238/D/103-105

In the Matter of Hoad's Common, Petworth  
Sussex.

DECISION

These disputes relate to the registration at Entry No 1 in the Land Section of Register Unit No. CL.154 in the Register of Common Land maintained by the West Sussex County Council and are occasioned by three objections-No. 139 made by the Trustees of the Leconfield Estate, No 183 made by Mr Luttmann Johnson, and No 399 made by the County Surveyor, noted respectively in the Register on 21 September 1970, 16 October 1970 and 28 January 1971. (2) to the registration at Entry No 2 in the Land Section of the same Register Unit occasioned by the said Objection No. 399.

I held a hearing for the purpose of inquiring into the disputes at Chichester on 21 March 1979. The hearing was attended by Mr A R Dickenson of the firm of Smiths Gore, on behalf of the Trustees of the Leconfield Estate, and by Mr Luttmann Johnson in person. Agreement had been reached between all parties concerned (including the applicants for registration), the effect of which is embodied in a written request, signed by or on behalf of the parties, to confirm the registration as regards the greater part of the land in question and to refuse confirmation as to the remainder. The two areas are shown on a plan attached to the request. I shall accordingly confirm the registration as respects the land coloured red on that plan, and refuse to confirm the registration as respects the land coloured green on the plan.

I am required by regulation 30 (1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.
