

In the Matter of Land Opposite King William IV,
Nettleton, Wiltshire.

DECISION

This reference relates to the question of the ownership of land opposite King William IV, Nettleton, being the land comprised in the Land Section of Register Unit No. CL 63 in the Register of Common Land maintained by the former Wiltshire County Council of which no person is registered under section 4 of the Commons Registration Act 1965 as the owner.

Following upon the public notice of this reference the Nettleton Parish Council claimed to be the freehold owner of the land in question and no other person claimed to have information as to its ownership.

I held a hearing for the purpose of inquiring into the question of the ownership of the land at Trowbridge on 10 December 1976.

Mrs G M James, the applicant for the registration, appeared at the hearing, but the Parish Council was not represented. Mrs James informed me that she was not claiming to be the owner and that she had not been able to find the owner of the land in question.

In the absence of any evidence I am not satisfied that any person is the owner of the land, and it will therefore remain subject to protection under section 9 of the Act of 1965.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this ~~14th~~ day of February 1977

Chief Commons Commissioner
