

COMMONS REGISTRATION ACT 1965

Reference Nos 241/D/19 and 20

In the Matter of Lyneham Green,
Lyneham, North Wiltshire D

DECISION

This dispute relates to the registration at Entry No 1 in the Land Section of Register Unit No CL. 47 in the Register of Common Land maintained by the Wiltshire County Council and is occasioned by Objection No 62 made by Conoco Ltd and noted in the Register on 11 October 1971 and Objection No 76 made by N K K Merritt and noted in the Register on 6 September 1972.

I held a hearing for the purpose of inquiring into the dispute at Trowbridge on 29 June 1977. The hearing was attended by Mr J Burrige of Messrs Forrester and Forrester on behalf of the Objectors, who told me that both Objections were limited to part of the land comprised in this Unit namely the detached parcel of land north of Barrow End Farm and that the Lyneham Parish Council had agreed that this parcel of land should be excluded from the Registration.

For this reason I confirm the registration modified so as to exclude the parcel of land north of Barrow End Farm.

I am required by regulation 30(1) of the Commons Commissioners Regulations 1971 to explain that a person aggrieved by this decision as being erroneous in point of law may, within 6 weeks from the date on which notice of the decision is sent to him, require me to state a case for the decision of the High Court.

Dated this 22nd day of August 1977

G. A. Little

Commons Commissioner
